Model Flying Club

Meeting Minutes

Date:

Location: Polly Bowls Club

Committee Members Present:

Apologies:

Chairman opened the meeting at 8.02 pm.

12 members present.

**Apologies given: Paul Kiddier, Tony Lachowski,
Gary Hankinson and Kevan Pattison.**

Matters arising:

Jamie did not think there were any matters arising

but if anybody has anything to discuss with him, please do so now or in private after the meeting. Janis said that after the last meeting had closed we had a request to review the matter of not reading the previous months meeting minutes out. A few members think we should read them out but in September last year 18 members agreed they did not want them reading. It was decided that with there only being 12 members present tonight we would leave it as it is but Janis will send a bullet points list to Paul and Jamie each month before the meeting if there is anything that needs addressing. Jamie said that formally thanking Kev Pattison for his work over the last 16 years is still pending.

Chairmans Report:

The Vice chairman welcomed everyone to the meeting and said there was not much to report tonight, apart from the weather being poor. Jamie said that two weeks ago he went to the field with Paul for a flying session. They also talked about the markers and taxiing back to the pits area. The cones need to be no nearer than 5 metres away from the pilot box. It was agreed that an email should go

out to all the members about this. Jamie said that there was some cones there with corners on that could do some damage to the planes. They decided to swop them with the ones with a round shaped bottom, to prevent damaging the planes. They were also concerned about the field being very dry, like tinder but fortunately we have had some rain since then. Please remember it is our Fun day on the 20th of July. The first prize in the raffle will be for £75 cash, please bring a prize donation with you on the day if possible. Jamie asked for fun day games and volunteers. Adam Lomax suggested that we did not bother with games this year and just all have a fun day flying, everybody was happy with this suggestion. The toilet will be delivered on the 18th and collected on the 21st. Please support the fun day and remember to bring your own refreshments. Any questions on the Chairman's report: None.

Any other business:

We are sorry the minutes were not put on the website for the May meeting, Jamie thought Janis or Paul put them on. Janis explained she did not have access to do that and that Andy Mills had always put them on before he stepped down as vice chairman. Janis will send the minutes to Jamie and Paul so they can be placed on the website in future

and bring a copy to the meeting if anybody wants to read them. Andy Mills suggested that Jamie reads the minutes for May out tonight with them not being put on the website, Jamie read them out.

The vice chairman thanked everyone for their attendance and closed the meeting at 8.45pm. There was no raffle tonight. The next meeting will be held on Wednesday the 2nd of July 2025, 7.30pm for a 8pm start.
